

ENBIS-21 Online Conference

Tuesday, 14 September 2021

Advances in Statistical Modeling and Applications (ISBIS) (15:00 - 16:30)

-Conveners: Chair: Luca Frigau

time	[id] title	presenter
15:00	[66] Application of machine learning models to discriminate tourist landscapes using eye-tracking data	ZAMMARCHI, Gianpaolo
15:30	[68] Non-parametric multivariate control charts based on data depth notion	IORIO, Carmela
16:00	[73] Copula-based robust optimal block designs	MUELLER, Werner G.
