

ENBIS-21 Online Conference

Wednesday, 15 September 2021

Measurement Uncertainty SIG (15:00 - 16:30)

-Conveners: Chair: Francesca Romana Pennechi

time	[id] title	presenter
15:00	[23] Hypothesis-based acceptance sampling for modules F and F1 of the European Measuring Instruments Directive	KLAUENBERG, Katy
15:30	[83] Statistical models for measurement uncertainty evaluation in coordinate metrology	Prof. FORBES, Alistair
16:00	[91] Modern Methods of Quantifying Parameter Uncertainties via Bayesian Inference	FARCHMIN, Nando
