

# ENBIS-24 Leuven Conference

## Monday, 16 September 2024

### Machine learning for time series - Conference room 2 (14:35 - 15:35)

-Conveners: Biagio Palumbo

time	[id] title	presenter
14:35	[71] Pattern matching for multivariate time series forecasting	LEBRETON, Noé
14:55	[33] Multivariate Singular Spectrum Analysis by Robust Diagonalwise Low-Rank Approximation	Dr CENTOFANTI, Fabio
15:15	[92] Physical explanations of AI-time series forecasting using BAPC	LOPEZ, ALFREDO
