

ENBIS-24 Conference

Wednesday, 18 September 2024

Reliability and Safety (09:00 - 10:00)

time	[id] title	presenter
09:00	[2] Acceleration Invariance Principle for Hougaard Processes in Degradation Analysis	PENG, Chien-Yu
09:20	[22] General Random-Effects Trend Renewal Processes with Applications	FAN, Tsai-Hung
09:40	[105] Design margins and handling of variations and uncertainty aiming for a Robust Design	Dr KNUTS, Sören
