

# ENBIS-24 Conference

## Monday, 16 September 2024

### Stochastic modelling (13:30 - 14:30)

| time  | [id] title  | presenter                |
|-------|---|--------------------------|
| 13:30 | [74] Knowledge Transfer from Marketing to Healthcare - Using Customer Lifetime Value in Dental Practice | AHLEMEYER-STUBBE, Andrea |
| 13:50 | [76] Application of spatial point processes to the study of brain tumor localization                    | Dr MÉZIÈRES, Sophie      |
| 14:10 | [129] Automated Paths Detection in Composite-Based Structural Equation Modeling                         | TRINCHERA, Laura         |
