Session Program

17–18 May 2021

ENBIS 2021 Spring Meeting

AI in process industries

Online

Tuesday 18 May

14:05

AI in process industries

Session | **Location:** Online | **Convener:** Nikolaus Haselgruber

14:05–14:25 **Towards Robust process design. The sensitivity analysis using machine learning methods**

Speaker
Tina Sadat DANESH ALAGHEHBAND

14:25–14:45 **Review of Quantum Algorithms and Quantum Information for Data Science**

Speaker
David Han

14:45–15:05 **Process Monitoring – Fundamentals, Experiences and Use-Cases**

Speaker
Raino Petricevic

15:05
