

## Session Program

Sep 6 – 10, 2026

## ENBIS-26 Conference

### ***Statistics in Pharma / Healthcare: Statistical Modelling and Learning for Biomedical Systems***

Centro Didattico Morgagni  
Viale Morgagni 40, Firenze

## Wed, September 9

2:30 PM

### Statistics in Pharma / Healthcare: Statistical Modelling and Learning for Biomedical Systems

Session | Location: Conference Room 102 | Convener: Rossella Berni

2:30 – 2:50 PM

#### Kinetic Models by Physics-Informed Statistical Learning Methods

**Speaker**

Marco Galliani

2:50 – 3:10 PM

#### Bayesian network-based Tikhonov MRI reconstruction

**Speaker**

Sébastien Marmin

3:10 – 3:30 PM

#### Statistics Can Go Farther

**Speaker**

Dr Dibyen Majumdar

3:30 PM
